NARRATIVE

On 11/06/2014 at about 1820 hours (all times approximate) I was dispatched by police radio to a cold hit and run vehicle collision with possible suspect information that had occurred approximately in the 1700 block of SR 9 SE in the city of Lake Stevens.

I met the driver of U2 (Miller) at 9601 Market Place NE (Target) where he explained the incident. Miller claimed he had been traveling northbound in about the 1700 block of SR 9 SE, traveling in the outside lane (which ends) and was merging into the inside lane (primary lane of travel) when a pickup came up beside the rear driver's corner of his vehicle, striking his vehicle with what appears to possible by the passenger door mirror of U1 along with contact between the two vehicles' tires; tire to tire (rubbing the tires together). U1 continued in front of U2 to the red light at SR 9 and Market Place (U1 being in the center through lane) when Miller contacted the driver of U1 and requested they turn right (eastbound) onto Market Place and exchange information. The driver of U1 made the right turn and "sped off".

Miller gave a license plate of #B38336E as being attached to a pewter in color 2003-2007 Chevrolet Silverado 1500 pickup being driven by a male in his 40's.

I noted the mark on the driver's rear corner of U2 where it appears the passenger side door mirror of U1 had made contact and that the rear driver's tire of U2 appeared to be recently rubbed as though the tires of the two vehicles had made contact.

I ran the vehicle license plate provided by Miller and found the license plate to be incorrect for the vehicle description given by Miller. I still requested Tacoma PD go to the registered owner's address to see if the vehicle license plate was still attached to an 87' Toyota pickup. Tacoma PD checked the address and found no persons or the vehicle to be home.

At this time the identity of U1 is unknown.

I, Ryan Mark Miller Was driving home from work Thursday November 6th 2014 around 6:00PM I passed through the light where highway 9 and 20th St SE intersect. I was in the right lane merging left. As I am almost completely in the left lane a Chevy pickup hit the driver rear of my 1999 Dodge Ram 2500 4x4 white in color. The Chevy pickup was a 2003-2007 Silverado 1500 the pewter in color. Coming up to the light into Frontier village, I asked the driver in the Chevy that hit me to stop at target to exchange information. The driver moved into the right lane in front of me and sped off. The driver was probably mid-late 40's and the plate number of the Chevy Silverado that hit me was B38336E
